

## Faculty position in Mathematics

Ashoka University is a Liberal Arts and Science University located at the outskirts of Delhi, India.

The Department of Mathematics at the University has open faculty positions at various levels (Assistant, Associate and full Professor). Candidates with strong research accomplishments in mainstream areas of mathematics, and a commitment to teaching, are encouraged to apply. A Ph.D. is essential.

At this time the Department has an undergraduate teaching program. A graduate program will be started in due course. The teaching responsibility for each member of the faculty is two courses per semester. Appointees will be provided research support in the form of annual research grants and sabbaticals.

Ashoka University strongly encourages applications by women and members of other groups under-represented in academia.

Applicants should submit: 1) a letter of interest; 2) a curriculum vitae; 3) teaching statement; 4) a brief description of research interest; 6) names of three referees who can be contacted for letters of recommendation.

All materials should be submitted through: <https://www.ashoka.edu.in/facultypositions/>
