

## Faculty Positions in Computer Science at Ashoka University, India

The **Department of Computer Science, Ashoka University** ([www.ashoka.edu.in](http://www.ashoka.edu.in)), seeks outstanding applicants for multiple tenure track/tenured faculty positions. The Department offers an undergraduate major in Computer Science, an inter-disciplinary major in Computer Science and Mathematics, another inter-disciplinary major in Computer Science and Entrepreneurship and a Ph.D. in Computer Science.

The Departmental focus is in the areas of Machine Learning, Computer Vision, Natural Language Processing, Security, Privacy, Cryptology and Systems. The Department is also home to the Mphasis Laboratory for Machine Learning and Computational Thinking, the AI for Social Good Centre and maintains strong affiliations to the Trivedi Centre for Political Data and the Centre for Economic Data and Analysis. The Department has plans for aggressive expansion and to define new frontiers through its **CS + X** programme that leverages the unique opportunities that exist between Computer Science and multiple disciplines of the Humanities, the Arts and the Sciences, enabled by cross-departmental collaborations, new courses and pedagogical methods, and partnerships with leading research institutions and industry (with a focus on the start-up ecosystem in India). Candidates in all of the above areas are specially encouraged to apply; however exceptional candidates in all areas of Computer Science will be considered.

Successful applicants will have an earned Ph.D. degree in Computer Science, Computer Engineering, Electrical Engineering or a related discipline and must have demonstrated excellent research contributions, teaching ability, and be excited with the diversity and the inter-disciplinary collaboration opportunities of the Ashoka academic community. A globally competitive package and work environment will await successful applicants.

Applications that include a cover letter, a detailed curriculum vitae, research and teaching statements, and the names of at least 3 references can be submitted through <https://facultypositions.ashoka.edu.in/>. We encourage applications from women and members of other underrepresented groups. Queries may be sent to [cs.next@ashoka.edu.in](mailto:cs.next@ashoka.edu.in).

### About Ashoka University

Ashoka is a private, not-for-profit university providing high-quality liberal arts education, the first of its kind in India. We are supported by 150 founders and by partnerships with top universities around the world. Ashoka aspires to be a leading research university with a strong commitment to teaching and learning, and provides world-class, interdisciplinary education through distinctive programs led by an internationally renowned faculty. Ashoka offers degrees in multiple areas of Arts, Sciences and Computer Science and is located in the city of Sonapat, about 40 Kms north of New Delhi, the Capital of India.
