

Faculty positions in Chemistry at Ashoka University

Ashoka University has recently launched its Natural Sciences program and is planning to begin Chemistry in the year 2019-20. Chemistry will be taught in a seamless manner integrating with other natural science subjects of Physics, Biology, Mathematics and Computer Science. Thus, chemistry curriculum will be based on concepts and insights which will connect with natural sciences as a whole.

Ashoka is planning to recruit Chemistry faculty, who is at ease to teach basic concepts of any subarea of chemistry and wanting to pursue research of high quality in pure or applied chemistry. Though excellent candidates carrying out research in all subareas of chemistry will be considered, higher priority will be given in thrust areas of Chemical biology and synthetic biology. **All faculty at Ashoka are expected to teach as well as pursue high-quality research.** State-of-the-art research facilities and generous seed money would be made available for all faculty based on projects. In addition, Ashoka University encourages faculty to obtain external grants for their research.

Applications are invited for both Assistant and Associate Professor Level and the number chosen in each will be flexible and based on the excellence. Candidates must possess PhD degree and preferably post-doctoral experience of 2 years for Assistant Professor Level. Meritorious candidates with suitable experience will be considered at Associate Professor Level.

Ashoka University strongly encourages applications from women and members of other groups under-represented in academia.

Applicants should submit: 1) a letter of interest; 2) a curriculum vitae; 3) a teaching statement (max. 2 pages); 4) a brief description of research accomplishments and research proposal describing your plans for future research over a 5-year period (max. 5 pages); 6) names of 3-5 referees who can be contacted for letters of recommendation.

All materials should be submitted through: <https://facultypositions.ashoka.edu.in/>
There is no deadline. The applications will be scrutinized and evaluated periodically for their merit.
