ASHOKA
UNIVERSITY

Faculty position in Economics, Rank Open

Ashoka University is a relatively new liberal Arts university, located in the outskirts of Delhi, India. The goal of the Department of Economics is to build a vibrant faculty which excels in both teaching and research in the region.

We will be recruiting several faculty positions at all ranks this year. While applications in all fields are invited, candidates specializing in Macroeconomics, Finance, International Economics, Environmental Economics and Public Economics are particularly welcome. Applicants must hold, or be close to completing, a PhD as well as possess teaching experience appropriate to rank. Those applying for Assistant Professorships may demonstrate this by a strong doctoral dissertation and research papers. Applicants for Associate or full Professorships must have a proven track record of publications. The university's attractive pay package includes research budgets.

Department representatives will attend the ASSA meeting in San Diego to hold initial interviews. Separate arrangements will be made for those unable to be at the ASSA meetings at San Diego.

Applicants must include a CV, sample research paper(s), a teaching statement and three references. A cover letter may be included if any relevant additional information needs to be communicated.

Deadlines: Applicants who want to be considered for interviews at the ASSA meetings in San Diego should apply by **December 1, 2019**. For all others, the deadline is **January 15, 2020**.
