## **Faculty position in Physics**

Ashoka University launched its Natural Sciences program starting with Physics and Biology in the current academic year, 2017-2018. In this context, the Department of Physics at Ashoka University seeks to recruit about six faculty members over the next two years. We invite applications at all levels, especially that of Assistant Professor. We are open to outstanding candidates in all fields.

A Ph.D. is required and post-doctoral experience (2+years) is desirable.

The teaching responsibility for each member of the faculty is two courses per semester.

Appointees would be provided substantial research support in the form of start-up grants and sabbaticals. The University encourages members of the faculty to apply for extramural grants for which logistical support will be provided.

Ashoka University strongly encourages applications by women and members of other groups under-represented in academia. Foreign nationals are welcome to apply.

Applicants should submit: 1) a letter of interest; 2) a curriculum vitae; 3) teaching statement; 4) a brief description of research interest; 6) names of three referees who can be contacted for letters of recommendation.

All materials should be submitted through: <https://www.ashoka.edu.in/facultypositions/>

For any queries or further information, please contact: Bikram Phookun
